"THE ROAD OF GOOD SERVICE"

GOOD SERVICE

IN ADDITION to good service we offer you the the advice of trained men at the head of each department whose ideas about printing, binding, and kindred trades have been gathered during years of service in the business.

Without this intimate knowledge of our customers' needs it would be impossible to keep up this immense establishment. If you have been overlooking this service hadn't you better stop and think about it.

It costs you no more to do business with us than with other houses in the country, quality and service taken into consideration.

No job too large for our plant, none too small to receive our careful thought and prompt attention.

Make Your Electricity do Half of the Housework!

It seems mighty strange, but the average woman, "the superintendent of the household," doesn't realize half of the possibilities right at her command in the ordinary, every day electric light socket. I'll wager you ten to one, that if the husband had to do the housework, he'd make the electric light socket do half of it. He'd go to the Swartz Electric Shop and here's what he'd buy:

ELECTRIC VACUUM CLEANER
ELECTRIC IRONS
ELECTRIC HEATERS
ELECTRIC COOKERS

ELECTRIC FANS
ELECTRIC "MAZDA" LAMPS
ELECTRIC WASHING MACHINE
ELECTRIC SEWING MACHINE MOTOR

THE SWARTZ ELECTRIC SHOP

FACTS

to be Remembered for Present and Future Reference

¶ The Urbana Home Loan Association is the oldest Building and Loan Association in Champaign County.

¶ It pays liberal dividends to members who desire to withdraw their stock repay their loan before maturity of the stock; and they are paid and allowed 6% on the dues contributed, for the average time, after one year's membership.

¶ Your money earns 7% **monthly compound interest** if you continue for the maturity period—about 6½ years in class "A"—payable one dollar per month on each share.

¶ The borrower shares the same dividend on his dues as the investor—whether he pays off his loan before its maturity, or continues until maturity of the stock.

¶ If you are a salaried man or woman, or wage earner, can you put your monthly savings for better profit anywhere else, or that will pay as good dividends?

¶ **REMEMBER**—We begin a new series in AUGUST and FEBRUARY in each year.

¶ You are invited to become a member.
